• EDUCATION

• IT-INCUBATOR, FRONTEND 2022

Front-end developer with teamwork experience React, Redux, JS/TS.

• BELARUSIAN NATIONAL TECHNICAL UNIVERSITY 2014 - 2019

Bachelor of Engineering and Economics.

ABOUT ME

I'm a front-end developer with experience in building SPAs using React, Redux, and other libraries. I have technical knowledge in application development and I plan to improve them by learning new technologies, such as React Native. I would love the opportunity to become a full-time employee. Ready to relocate.
